Fees quoted are subject to change.

Notes

Our Afterschool Club is effective from 15:00. There will no longer be a 10 minute grace period,

At 16:00 the children will be offered a substantial snack (following new food guidelines from DfE) and milk and water will be available at all times.

Funded Places

Currently we offer funded places up to 15 hours to eligible 2-year olds, Working Parents 2yr old Funding and Universal 15hour Funding for all children, from the term following their 3rd birthday. We offer a limited number of 30hour funded places each year. Funded sessions are either mornings, afternoons or a combination of both. For

the avoidance of doubt, the first 15 hours of attendance will be classed as the Universal Funded hours, unless your child is eligible for the 30hour funding.

The Department of Education (DfE) have stipulated that the funding is used for delivering the EYFS only and cannot be used for any extras above and beyond the basic requirements and that, parents should expect a charge from the setting.

We offer a range of Extra- Curricular activities, presently; yoga, cooking, music, Tappy Toes, French, Welly Wednesday and allotment visits (these may change through the year). However, to cover consumables and additional costs not covered by funding we do have a charge for additional activities and services of £6.00 per session. You can opt out of this additional charge, but you will need to provide:

- A packet of baby wipes each half term
- A box of tissues each half term
- Provide snack each day your child is in (we have limited storage) and all foods must comply with food/allergy requirements.
- Your child will not take part in the Extra Curricular Activities but will continue learning via the EYFS curriculum.
- You will not receive the Blossom Diary.

If you choose to opt-in for all services, this is what is included:

- All snacks, milk and water.
- Self-care; tissues, baby wipes, sun cream, toothpaste
- Daily Blossom updates
- All reports (at least 3 per year; verbal, virtual and in person). We are only legally required to complete a Two Year Progress Check for your child.
- We do not charge for the sessions that include the Nativity and rehearsal, Easter Celebrations, Leavers Concert and rehearsal, or other whole school events, on the days that your child does not usually attend.
- School trips may incur a charge to cover costs but not for attendance.

The cost for higher staff ratios and training levels, meetings both during the school day and out of school hours, the time spent on your child's Developmental Records and other events we hold throughout the year for you and your children, are not charged for.

Invoices must be paid by their due date unless you have made prior arrangements with the school and please send a screenshot of your payment. An administration fee of £25.00 or 10% of your invoice, whichever is greater, will be payable for late payment and/or having to chase parents for fees. We will check payments into the account on the due date and then every 7 days, you will be charged for each check after the due date of your invoice until payment is received.

We are registered for government Tax Free Childcare scheme. We are also registered for salary sacrifice schemes and can offer guidance for EYPP.

We require one term's notice in writing or fees in lieu is required for any child leaving or decreasing their sessions.

This document forms part of your signed Terms and Conditions for your child to attend this setting.

Miss Jack
Principal
